Re: Susan Combs, Plaintiff v. GE Commercial Finance, a unit of General Electric Company, U. S. District Court, Middle District of Georgia  
Civil Action No. 5:05-cv-00476-CDL

Dear Judge Land:

We have finally received the settlement checks that the Defendant agreed to pay by June 20, 2006. I regret that I had to contact the Court about the Defendant's untimely payments. However, because of the repeated assurances by the Defendant's attorneys that the settlement funds were forthcoming and the Defendant's repeated failures to honor the commitments made by its attorneys, I felt that I had no choice in the matter.

A Stipulation of Dismissal will be filed after our banks clear the Defendant's settlement checks.

Thank you for your assistance.

Sincerely,

*s/Jerry A. Lumley*  
Jerry A. Lumley
